I want this tattoo from Cryptid's Kiss at Bird of Paradox Studio, 723 50th Street, Kenosha, WI. I am 18+, not intoxicated, and have no infection in the work area. I signed the Tattoo Policy. I know a tattoo is permanent and can scar, fade, migrate, or react. Cover-ups may need more than one paid session. Results are not guaranteed. The artist may stop for safety. I received the aftercare card and will follow it.
